## INSTITUTION OVERVIEW

Brindavan College Group of Institutions is the brainchild of Dr. Majed A A Sabha, who is an educationist and entrepreneur. Brindavan Group of Institutions was established in the year 1993 and managed by N M Academy Trust. Brindavan College of Engineering was established in the year 2008. The campus accommodates well ventilated Classrooms, Departmental Laboratories, Workshop, Library, Placement & Training Cell, Auditorium and much more. Brindavan College has been assessed and accredited at the 'A' level by the NAAC. The current intake of all branches is 600 and students from nearly 52 countries are studying in this organisation. The organisation has about 200 qualified faculty members and 150 supporting technical and non-technical staff members in various departments. The institute offers 5 UG Programs, 2 M.Tech Programs, MBA, MCA and Ph.D. Programs in Civil, Mechanical & Management all affiliated to VTU, Belagavi, Karnataka. Brindavan College of Architecture is the recent addition to the Brindavan College group of Institutions.

## DEPARTMENT OVERVIEW

The Department of Electronics and Communication Engineering (ECE) was established in 2008 with an intake of 120 students.

The Department has well qualified group of Academicians whose vision is to develop outstanding Engineering professionals with good discipline and strong ethics.

Department has excellent state of the art hardware and software laboratories to meet the academic excellence in Engineering technology.

ECE faculty have published several papers in peer reviewed journals under various streams. The eligible students are placed in high profile companies with good packages.

## OBJECTIVES OF THE CONFERENCE

National Conference on "Emerging Trends in VLSI, Embedded & Networking" (NC-EVEN2017) is aimed at providing a common platform to Academicians, Research Scholars, Practicing Engineers & Industry Experts to share their innovative ideas, thoughts, findings, etc. It is also to ignite the young engineering minds to drive them towards the excellence in Electronics and Communication Engineering and Technology.
